MEd in Education Graduate Program

Master of Education (MEd)

MEd | EDUCATION

EDUCATION

The Master of Education (M.Ed.) is a one-year program for students who wish to study a particular field in education, acquire a general theoretical background for understanding Past and future field experiences, or develop skills for use in professional work in education. You will be challenged to address problems of practice in new and dynamic ways.

Students are expected to undergo the following selections among others:

- Educational Measurement & Evaluation
- Curriculum Development
- Guidance and Counseling
- Value Education and Human Rights
- Educational Technology
- Comparative Education

The goals of the M.Ed. program include enabling teachers to enhance both their understanding and ability to meet the needs of the diverse learners in their classrooms; broadening their understanding of educational theories as they apply to practice, and educational policy. Also to enable teachers advance their understanding of course content areas.

Upon successful completion of this Master's degree, you will be recommended for initial teacher practicum to any institution of your choice in your community.

EDU 404	Global Social Policy		2
EDU 405	Research Methods and Data Analysis		2
EDU 406	Master Thesis		3
TOTAL CREDITS			15

The thesis

A thesis on a particular topic of your choice (with a Supervisor's approval) will be completed by each student in the last semester. There is considerable scope in the choice of subject areas by the student and the research method employed. Each student is allocated a supervisor who guides them through the thesis. The thesis aims to assimilate the theoretical and practical elements of the academic program of study.

Duration of program: A Semester runs for a period of three months. Our "Master's Degree" programs are completed within the period of four semesters (one year). We allow extension in the period of study, in case your courses could not be completed within the stipulated time frame. No additional fee, no extra charge for extension in the period of study.

How to apply

Prospective student must complete the Admission Form and pay the processing fee of \$45 USD or its equivalent. The processing fee is refundable if admission is denied.

Applications for the program:

Applications for this program are made online by going to www.iicseuniversity.org/apply.html
