Master of Health Administration Graduate Program

Master of Health Administration (MHA)

MHA

**HEALTH
ADMINISTRATION**

We offer Master of Health Administration program to fully focus on concepts, principles and processes associated with efficient health management, health care operations, including human capital management, health care consumerism, and capital asset management.

IICSE University's Master of Health Administration program offers a unique curriculum that is designed specifically to fulfill your personal goals and career needs. We have designed our curriculum around a set of core competencies that define professional excellence in health policy. It emphasizes logical thinking and aims to provide graduates with in-depth applied health administration. Graduates are expected to be capable of identifying and solving complex organizational and assessment problems in the health sector.

Applications for admission into this program will be evaluated free of charge, based on a combination of academic achievement, results, or a grade of "B" or higher in an undergraduate science course, or relevant work experience.

The thesis

A thesis on a particular topic of your choice (with a Supervisor's approval) will be completed by each student in the last semester. There is considerable scope in the choice of subject areas by the student and the research method employed. Each student is allocated a supervisor who guides them through the thesis. The thesis aims to assimilate the theoretical and practical elements of the academic program of study.

Duration of program: A Semester runs for a period of three months. Our "Master's Degree" programs are completed within the period of four semesters (one year). We allow extension in the period of study, in case your courses could not be completed within the stipulated time frame. No additional fee, no extra charge for extension in the period of study.

How to apply

Prospective student must complete the Admission Form and pay the processing fee of \$45 USD or its equivalent. The processing fee is refundable if admission is denied.

Applications for the program:

Applications for this program are made online by going to www.iicseuniversity.org/apply.html
