MS in Leadership Graduate Program

Master of Science in Leadership (MS)

MS | LEADERSHIP

Could you grow to be an even stronger, more inspiring and more globally minded leader? With IICSE's Master of Science in Leadership (MSL) program, you will discover the enormous power you have to create change and make a difference in the lives and world around you.

Many companies may look the same from the outside. But on the inside, there are vivid differences in culture and performance. And where it all begins is with strong leadership. The "Master of Science in Leadership" degree helps students develop their skills, knowledge and competencies that make effective leaders stand-out. Not only will your studies set you up for today's most challenging leadership roles, you will also be positioned as a prized decision-maker of tomorrow.

This offering allows seasoned executives to complement their extensive real-world experience with studying the latest leadership ideas and practices. As it is basically designed for experienced professionals and active business executives, the MSL program provides interpersonal and industrial skills that you can immediately apply in your day-to-day life.

The thesis

A thesis on a particular topic of your choice (with a Supervisor's approval) will be completed by each student in the last semester. There is considerable scope in the choice of subject areas by the student and the research method employed. Each student is allocated a supervisor who guides them through the thesis. The thesis aims to assimilate the theoretical and practical elements of the academic program of study.

Duration of program: A Semester runs for a period of three months. Our "Master's Degree" programs are completed within the period of four semesters (one year). We allow extension in the period of study, in case your courses could not be completed within the stipulated time frame. No additional fee, no extra charge for extension in the period of study.

How to apply

Prospective student must complete the Admission Form and pay the processing fee of \$45 USD or its equivalent. The processing fee is refundable if admission is denied.
